Sixty-Fourth Year

Canyon, Texas

Wednesday, September 16, 1959

Number 23

## Around - - -- The Town

By DOROTHY HALEY

Mr. and Mrs. C. L. Hood spent the weekend in the home of her parents, Mr. and Mrs. E. T. Cummings. Mr. Hood is an electrical engineering student at Texas Tech.

Mrs. Paul Peppmiller of Dallas spent the week visiting her parents, Mr. and Mrs. Fred Begert.

H. C. Dawson, son of Mr. and Mrs. Clay Dawson, received his B.A. degree in geology from Oklahoma City University, Oklahoma City, Okla., this summer. He and his family are moving to Amarillo where he will be employed.

Mr. and Mrs. Bob Gough visited in Childress Sunday.

Mr. and Mrs. Bryan McDonald vacationed in Ruidoso and Truth or Consequences, N. M., last week. They also visited their son and family, Mr. and Mrs. Charles McDonald and children, in Midland on their way home.

Mr. and Mrs. O. W. Parker, Jr., attended the gift show in Dallas last week.

Carl Schrib of North Hollywood, Fla., is visiting in the Roger Schrib home.

Mrs. Bertha Matlock is visiting friends in Evant, Texas.

Mr. and Mrs. Richard Hefley and sons of Gruver spent the weekend with her parents, Mr. and Mrs. A. B. Berry.

Mrs. Clarence Thompson spent last week in Dallas attending the Gift Show.

Mr. and Mrs. Alvin McDonald spent the weekend in Oklahoma City, Okla.

Mrs. Ruth B. Allison of Springdale, Ark., arrived Monday evening to visit with Miss Pearl Black and other friends.

Mr. and Mrs. C. B. Chandler visited in Lubbock with Mrs. A. E. Davis Sunday.

Mr. and Mrs. H. W. Evans of Phoenix, Ariz., are visiting with his sister and her husband, Mr. and Mrs. Worth Jennings.

Mr. and Mrs. Martin Phillips of Olton spent Sunday with Mrs. Worth Jennings, Sr.

Mrs. Mona Hildreth and John Brazill were in Friona Friday where they served as judges for the Maize Festival.

Mrs. Larry Sparks and 10-year-old daughter left the States on September 10 for Zweibrücken, Germany, to join Mr. Sparks who is in the Army there. They crossed the Atlantic on the USNS Patch. Mrs. Sparks is the former Elizabeth Croson, daughter of Mrs. N. A. Croson.

## Concert Group Maps Plans for Season

One artist has already been selected for the coming season as the Canyon Community Concert Association begins plans for its membership campaign for 1959-60.

The board of directors, which made the campaign plans last Wednesday night in the home of Mrs. Ples Harper, president, also elected officers.

### Made Sound Track

The chosen artist is 23-year-old Michael Rabin, violin virtuoso, who will appear in concert at the West Texas State College auditorium during March, 1960. A veteran of 63 performances with the New York Philharmonic Orchestra, he made the sound track for the movie "Rhapsody."

Other artists for the season will be announced later.

The board of directors decided to issue student memberships to adults registered in any West Texas State College class, in Canyon or in Amarillo Center. Student memberships cost \$3 and will be available during registration and during the week of the concert drive, starting October 5.

A membership will admit the holder to three or four concerts during the season.

### Officers Elected

Officers elected to assume their responsibilities at the close of the membership drive week were Mrs. Jack Taylor, president; Mrs. R. E. Barnard, vice president; Oscar Schuette, secretary, and Mrs. Murphy White, treasurer.

Members of the board are Mrs. Ples Harper, Mrs. Joseph Findley,

## Canyon Man Killed As Car Overtakes

A 22-year-old Canyon resident was killed Monday when the car in which he was a passenger overturned north of Canyon.

Three other men in the car escaped without injury.

Dead is Fred Cecil Irwin, son of Mr. and Mrs. John C. Irwin of Matador.

The three other passengers were students at West Texas State College. They are Jimmie Terrell, 21, driver of the car, R. C. Holcombe, 25, and Richard Wayne Potter, 21.

### Thrown From Car

Highway Patrolman Gilbert Ray, who investigated the accident, theorized that Irwin must have been thrown from the car when it overturned. Irwin's neck was broken and chest was crushed.

Patrolman Ray said the group was traveling north on Washington Street when the car failed to make the curve at the railroad crossing just south of Amarillo. He said the driver apparently attempted to swing off onto a dirt road,

but the car skidded sideways on the pea gravel and overturned.

Ray said the group was on their way to pick up a buddy who was getting out of the Army, when the accident occurred about 3:15 p.m.

Charges, he said, are pending against the driver of the vehicle. Irwin, who had lived in Canyon since graduating from WT in 1958, was associated with an Amarillo life insurance company.

While at WT he was class senator during his sophomore year, president of the junior class, and a member of Tau Tau Tau social fraternity. He was a member of the WT Ex-Student Association Board of Directors.

Funeral services for Irwin are to be conducted today at 2:30 p. m. at the Church of Christ in Matador, with Leonard Dennis of McAdoo officiating.

Burial will be in East Mount Cemetery at Matador under the direction of Eudy-Seale Funeral Home.

Pall bearers will be Bill Pipkin, Forrest Campbell, Herman Ellithorp, Emmett Jenkins, Bert Ez-zell, Hub Swearingen, J. E. Edwards, and Ed Lee.

## WT Registration Nearing Record

Registration for the fall semester at West Texas State College will continue Wednesday and Thursday, with first classes starting Thursday afternoon. A new record in enrollment, between 2,400 and 2,500 are expected when registration officially closes Sept. 30.

Students began arriving on the campus Sunday, when dormitories opened, and freshmen began taking tests Monday. Freshmen and sophomores began registering Tuesday afternoon. Juniors, seniors, and graduates started registering Wednesday afternoon and will continue Thursday morning.

An assembly, at which new faculty members were introduced, will be held at 11 a.m. Thursday. Official welcome to Canyon by pastors of the city's churches will be given. Organization of student activities will be held.

A "Howdy Week" for freshmen has been planned for next week by the Student Senate, and the student governing body planned activities for each night of the opening week for students.

Parties and dances in the student union building were scheduled for the week. A pep rally preceding the Arizona State game will be held Thursday night and another is planned Friday morning before the Buffaloes depart for Tempe for their first game.

Mr. and Mrs. H. C. Adcock visited their daughter and family, Mr. and Mrs. Camal Dakil and David, in Dumas Saturday.

## Eagles to Face Formidable Foe

The Canyon Eagles, ranked seventh in state AA circles by the Dallas Morning News, will face one of their most formidable foes of the season Friday when they do battle with the Perryton Rangers at Ranger Stadium in Perryton.

Eagles mentor Bill Davis and his charges will be after their third successive victory of the young season. Last week the Canyon warriors downed hapless Hereford, 38-8, in a game at Hereford. In the season opener, the Eagles thumped the Slaton Tigers, 16-0, at Buffalo Stadium.

The Rangers had an open date last week, but took a shellacking September 4 in the first game from Dimmitt, 22-0. Perryton was the pre-season pick by many to win the 5-AA crown.

### Rangers' Big Guns

Quarterback Dan Pletcher and backs Tom Elizey and Raymond McGarrugh are the big guns in Ranger Coach Joe Ogden's attack. End Gary Black and guard Gary Cook are the toughies in the Perryton line.

Against Hereford last week, the Eagles had a fairly easy game, racking up 381 net yards rushing to 195 net yards for the Whitefaces.

Fullback Chuck Nester continued to be the bread-and-butter man for the Eagles, gaining 105 yards in 14 carries. Fullback-tackle Tommy Henderson and quarterback Jerry Richardson also were big gainers for Canyon, with Henderson totting the ball five times for 72 yards, including a 56-yard touchdown romp, and Richardson picking up 89 yards rushing.

### Ineffective Passing

The big bug in the Perryton offense against Dimmitt was passing. The Rangers attempted eight passes and had two of them intercepted. The Ranger didn't complete a pass.

Coach Davis' operatives are expected to be a near full strength with the non-conference encounter with the Rangers. Several players suffered minor injuries against Hereford, but are expected to be recovered in time for the 8 p.m. kickoff Friday.

☆☆☆

Dory Funk, former Canyon Eagles griddier, is bidding for a starting right end berth for the West Texas State College Buffaloes. A 195-pound sophomore, Funk will make the trip Saturday to Tempe for the game with Arizona State.

## 4,000 Fans View New WT Stadium

An estimated 4,000 viewers turned out for West Texas State's open house at its new 20,000-seat football stadium Sunday afternoon.

Football fans from many area towns were represented in the steady flow of pedestrian traffic for two hours.

"We were very encouraged by the fine response," said athletic director Frank Kimbrough, "and we hope they will tell their friends about it."

West Texas officials had tickets available at the open house and reported a good sale.

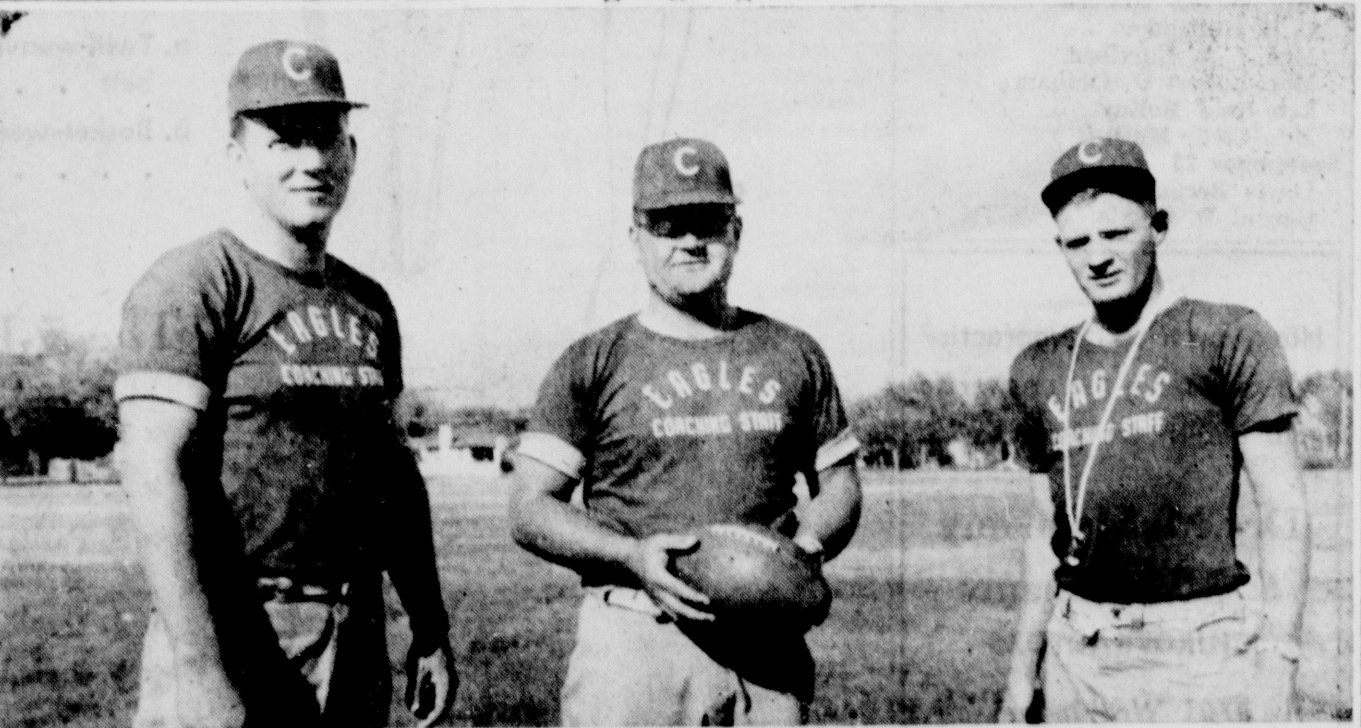

Visitors were directed to the high points of the modern, new stadium and officials were stationed at many locations to answer questions.

The Buffs will open the new plant Saturday night, Sept. 26, against University of Arizona in a Border Conference combat. First official function is scheduled for that afternoon at 4:30 with a Fall Convocation that features Senator Lyndon Johnson as the guest speaker.

## Dowlen Expects to Attend High Plains Board Meet

Glenn Dowlen is expected to represent Randall County at the annual meeting of the board of trustees of the High Plains Research Foundation, set for McGrath's dining room in Plainview September 24.

Meeting for the first time since its creation in May, the board will set the research program and budget for 1960.

Guiding the Canyon Eagles this year are, from left to right, James Kauffman, head coach Bill Davis, and Bill West. So far the Canyon mentors and their squad have posted a two win, no loss record in non-conference play. This week the Eagles take on the powerful Perryton Rangers at Ranger Stadium in Perryton. In Perryton's only outing, it lost to Dimmitt, 22-0. Kickoff time Friday is 8 p. m.

## County To Eye Budget After Precinct Switch

Randall County's budget for \$693,487 is being restudied in view of the re-districting of county commissioner's precinct lines, after a public budget hearing was held Monday by the county Commissioner's Court.

No one appeared at the hearing. E. T. Cummings, county auditor, said that the total of the budget would not be changed, but re-distribution of road and bridge funds would be studied.

The 1960 budget is an increase of \$39,000 over this year's budget. It is based on a 10 per cent in-

crease in the tax roll. Tax roll for next year is \$31,889,000 compared with this year's \$29,066,000.

### Tax Group Appointed

A citizens committee was appointed to study the tax situation in the county, with emphasis on any possible inequities between urban and rural tax properties. Their report is due within 30 days.

Members of the committee are Clay Cooper, appointed by B. E. McCormick of precinct 1; Walter Graham, appointed by Clarence Beckman of precinct 2; Travis Payne, appointed by Glenn Dowlen of

precinct 3; George L. Grogan, appointed by C. Y. Johnson of precinct 4; and Ben Stone, Jr., appointed by McCormick and Johnson.

After conferring with C. W. Smith, Texas Highway Department district engineer, the commissioners agreed to furnish 250 feet of right-of-way from the Amarillo city limits south two miles on Farm to Market Road 1541. Construction of a four-lane highway would include an overpass over a railroad crossing.

Smith notified the commissioners that contracts can be let in October for an extension of FM 1541, south from the Wayside Highway to the county line.

A. W. Lair, county criminal district attorney, was instructed to proceed against tenants of the old Randall County tax office in South Amarillo for rent of the premises during the time the county was trying to sell the office to Ed Williams.

The sale fell through and Williams' escrow money was returned in April, according to Cummings.

The commissioners will attend the state conference of Texas County Judges and Commissioners Association in Galveston next week, so there will be no meeting Monday.

## Golf Tournament Slated at Club

A team golf tournament, with the losers buying the winners a chicken supper, is scheduled Sunday at the Canyon City Club links.

Teams will be chosen Sunday at 1 p. m. by Pat Britain and Murphy White, who will be team captains.

Members of the club, as well as non-member golfers, are invited to participate in the medal play tournament. Golfers who are not members of the club can enter the tournament by paying green fees.

The following Sunday, September 27, the annual City Club championship tournament begins at the club.

## Christian Church Slates Student Recognition Day

The First Christian Church will have dedication of new choir robes Sunday, with the choir, under the direction of Mrs. Sam Jolly, presenting several special numbers.

Sunday will also be student recognition day, with an all-church dinner following the morning service.

## Debut With Devils Coming for Buffs

Meeting the Border Conference favorite in the season opener is the unenviable task facing West Texas State's football team Saturday night.

The Buffs, who are trying a comeback after losing nine of 10 starts in '58, will tackle Arizona State's Sun Devils at Tempe before an expected 30,000 fans. West Texas will return the following weekend, September 26, to open its new 20,000-seat stadium against University of Arizona.

Coach Clark Jarnagin, in his second year at the helm, will take a 35-man squad by chartered plane to Arizona. They will fly out Friday and hold a short workout in the Devils' new stadium.

### Lost Heart-Breaker

West Texas helped inaugurate the Arizona State plant last year and lost a heart-breaker, 16-13, to a team that went on to win seven of 10 outings.

"The fact that we played Arizona State close last year, and could have won with a break, is the most encouraging thing for us," said Coach Jarnagin. "We know Arizona State is loaded with outstanding talent and will have another fine team."

The Buffs, who will run from a winged-T this fall, have had their share of early injuries and two boys who have been running with the No. 1 unit won't be starting against the Devils.

They are Ray McCown, a fast back who has been converted to left end (split end), and Jimmy Jones, 170-pound sophomore left half, who figures to be one of the brightest newcomers this fall.

McCown has an injured back, Jones a bad ankle.

### Jolly At Halfback

Replacing Jones at left half is Ned Jolly, 170-pound junior from Phillips, who led the Texas JC Conference in rushing at Tyler Junior College last season. John Hall, who closed with a rush last year and made second team all-Border Conference as a sophomore, is the top man at right half while the fullback post is being handled by Jones Hedrick and Rex Loftis, a pair of 190-pounders.

Quarterback is up for grabs with a junior, sophomore and second semester freshman battling for the post. Jim Wood, 170-pound junior from Claude, may start, but Bill Mayfield, 185-pound soph, and Carl Johnston, 170-pound freshman passer deluxe, are keeping the race hot. Mayfield is the young brother of Gene Mayfield, former All-Border Conference quarterback at West Texas and now successful head coach at Borger High School.

### Probable starting lineup:

LE—Fred Hedgecocke, 185, Jr., Stinnett  
LT—Eddie Meyer, 230, Sr., Borger  
LG—Carroll Stafford, 205, Sr., Amarillo  
C—Jerry Hill, 190, Sr., Weslaco  
RG—Leon Manley, 210, Sr., Abernathy  
RT—Gary Ward, 205, Jr., Dumas  
RE—Ken Friemel, 200, Jr., Groom  
QB—Jim Wood, 170, Jr., Claude  
LH—Ned Jolly, 170, Jr., Phillips  
RH—John Hall, 170, Jr., Pettit  
FB—Jones Hedrick, 190, Jr., Panhandle

## Regents to Meet, Inspect Before WT's Convocation

West Texas State College's governing body—the board of regents of Texas State Teachers Colleges—will hold a regular meeting on the WT campus September 25 and 26, preceding observance of the Fall Convocation which opens activities for the college's 50th anniversary.

The meeting will bring to the campus the presidents and business managers of the five other state-supported colleges of the system, including Southwest Texas, East Texas, Sul Ross, Sam Houston, and Stephen F. Austin.

Last meeting of the group here was in October, 1957.

### Three Sessions Set

The board will hold morning and afternoon sessions September 25, and will hold official inspection of WT's new fine arts building, stadium, and science building addition. A final meeting will be held during the morning of September 26.

Board members will participate in the Golden Anniversary convocation at 4:30 p. m. September 26, when Senator Lyndon B. Johnson will speak. The public is invited to the convocation and to open house of the new buildings from 2 until 4 p. m. September 26. The convocation is scheduled in new Buffalo Stadium.

The convocation will touch off a year-long observance of WT's Golden Anniversary, and is one of four major events planned for the year. The program will be opened with a long processional of official guests, delegates from colleges and universities throughout the Southwest, and WT's faculty members.

### Stovall To Dedicate

WT's new fine arts building, Buffalo Stadium, and major addition to the science building will be dedicated in ceremonies led by Richard F. Stovall of Floydada, member of the college's board of regents. He will be introduced by Henry Sears of Hereford, president of the board.

Delegates and official guests will

be honored at a dinner following the convocation in the WT cafeteria. Guests will also be guests of the college at the West Texas State vs. University of Arizona football game at 8 p. m. opening the new stadium.

### Guests At Dinner

Official guests also will be honored at lunch during the two days by the Canyon Kiwanis Club and the Canyon Chamber of Commerce. They also will be honored at dinner by Mr. and Mrs. Sears at their home in Hereford September 25.

Other members of the board include Mrs. E. D. Lockety of Troup, Newton Gresham of Houston, Frank White of Cleveland, Mrs. Elizabeth Koch of San Antonio, H. L. Mills of Houston, William V. Brown of Texarkana, C. S. Ramsey of San Augustine, and Richard F. Stovall of Floydada. Mrs. Florence T. Cotten of Austin is secretary of the group.

## P-TA To Begin Tomorrow Night

Teachers and administrators of Canyon Public Schools will be introduced at this year's first meeting of the Parent-Teachers Association tomorrow evening at 7:45 in Canyon Elementary School.

Mrs. Ples Harper will present a brief talk on parent-teacher understanding, and Rev. Donald Price, pastor of the First Presbyterian Church, will give a devotional.

Special music and a social hour will follow the meeting.

## Boosters Elect White President

Members of the Buffalo Boosters Club elected Murphy White president Monday night and announced plans to form a caravan to promote ticket sales to the dedication of new Buffalo Stadium.

Also elected Monday were J. D. Byrd, vice president, and Bill Sternberg, secretary. They replace Avert Lair, who has been president for two years, Jack Taylor, vice president, and Hosea Foster, secretary.

Roland Black, executive secretary of the Canyon Chamber of Commerce, suggested the car caravan as a means of stimulating sale of tickets for the tilt with Arizona in the new 20,000 seat stadium on September 26.

A committee composed of Frank Kimbrough, WT athletic director, Black, and Taylor was appointed to put the plan in action.

Founded by Mrs. R. W. Morgan in 1896

## Let's Plug the Loopholes

In his latest testimony on obscene mail, given last month to the Senate subcommittee on constitutional amendments and juvenile delinquency, Postmaster General Summerfield emphasized a new reason why decent citizens should rally to help stamp out the pornographers. It was that if the business already grossing an estimated \$500 million a year, grows much more lucrative, the big crime syndicates might move in with their powerful under-world machinery and expand the racket "to a far greater and more vicious extent."

In view of the fact that the smut trade now reaches directly more than a million U.S. youngsters, Mr. Summerfield's prediction of the result of such an expansion seems hardly to be exaggerated. "It will victimize more and more of our children, both directly and indirectly," he warned, "poisoning increasing millions of minds and bringing sex crimes into far greater prevalence than even today." To this he added the grim possibility that it would cause the "ultimate breakdown" of moral strength and order in the nation.

It was a sad truth that Mr. Summerfield pointed out when he said that many decent citizens would help the filth purveyors and racketeers in resisting effective

legislation by cries of "censorship," "freedom of the press" and "civil liberties." All American freedoms are to be jealously guarded, of course, but the difference between freedom and license long has been observed, and its continued recognition is vital to the survival of democracy. A great American jurist once said that freedom of speech did not include the right to yell "Fire" in a crowded theater, and this same freedom is abridged by laws against slander and the use of profanity. Libel laws restrict what can be printed about persons and organizations. Even freedom of religion is not immune to abridgement, since obviously it could not be extended to a sect practicing human sacrifice.

Action by civic-minded organizations and outraged parents would help greatly to discourage the smut peddler. But for their efforts to achieve best results, loopholes pointed out by Mr. Summerfield in present laws pertaining to obscene mail must be closed. Care must be taken to see that the legitimate exercise of basic freedoms is not jeopardized, to be sure. It would be the height of folly, however, to protest all legislation aimed at this odorous business on the ground that it would be "censorship."

(Ft. Worth Star-Telegram)

## Freedom's Written Guarantee

More people probably know less about the instrument which affects the lives of every single American than any other thing which confronts them.

This instrument is the Constitution of the United States of America.

And with individual liberty, freedom, and independence threatened or impaired in a major portion of the world, it is fitting that the week of September 17-23 has been set aside as Constitution Week by President Eisenhower and Canyon Mayor Charles Donnell.

Americans should become familiar with the instrument which guarantees to them the privileges which are taken for granted by so many Americans.

It is the Constitution which sets aside the liberties which we enjoy today. It also guarantees that these liberties will not be infringed upon.

It is the Constitution, for example, which states that "The right of the people to be secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized."

One highly controversial provision of the Constitution says that no person may be required to be a witness against himself. It would be a little unreal if this provision were revoked.

In addition to granting or reserving rights for the people, the Constitution set up a system of checks and balances in the federal government which is al-

most unparalleled in government today.

The Constitution set up a government to protect the people and at the same time protected the people from government; a remarkable achievement.

There have been many words written about the Constitution and the influence it has had on lives throughout this nation, as well as throughout the world.

But the words in the proclamation signed by Mayor Donnell are as significant as any ever written:

"... the Constitution gives us the foundation for a free, prosperous and independent life for every citizen, but each generation in time, must work for and claim it, otherwise, through carelessness or indifference, the rights and liberties we have enjoyed may vanish..." (OG)

## An American Institution

The weekly newspaper is uniquely an American institution. Nowhere else in the world will be found a system of journalism anywhere near the completeness of the American weekly newspaper. Nowhere else in the world will one find a newspaper primarily interested in Susie's birthday, nor a system that so thoroughly reflects the trivia of events that make up the life of all of us.

Many have said over the years that the weekly newspaper would disappear because it is totally unnecessary. They have been proven wrong. The weekly has grown stronger and has become even more firmly entrenched into the American way of life. . . .

(Somerset, Ky., Journal)

## What Our Neighbors Say ...

## Scissor Snippings

**Bascom Nelson in the Castro County News:** It will be interesting to see whether or not Amarillo will be able to wrest part of Randall County away from Randall County.

In case this doesn't make much sense, here is a sketchy idea of the situation: It seems the Amarillo Jaycees, noting with some nervousness the tax money flowing out of South and into the Randall County treasury, decided to make up a few reasons for annexing part of their southern neighboring county. As you know South Amarillo is in Randall County and there has always been some fussing about those people having to drive 17-miles-plus to the Court House at Canyon to take care of their legal business.

We don't know the laws involved, but we know two definite sides have developed in the issue and before it's over there will be many raw nerves and hurt feelings.

We hate to see people shoved around and that's exactly what's happening to Randall County. We don't know whether or not they wanted South Amarillo in the first place and its doubtful that portion of the city has done Randall County much good. But we can't let big cities start annexing other counties' property just because they have a favorable voting situation. Small towns and counties still have some rights.

We hope the Amarillo Jaycees fall on their face. And we're surprised that an organization with the high ideals they profess can pull such a stunt.

**Gene Alford in the Moore County News:** We've never met the man, but we'd like to . . . and shake his hand.

He is C. Y. Johnson, Randall County Commissioner from South Amarillo's Precinct Four. After trying time and time again to get something done about a problem as old as his county itself, he has been successful in finally doing something for the people by bringing about a plan for redistricting his county.

Those who read Wednesday's morning Amarillo newspaper saw the new precinct map as it was proposed by Johnson . . . and accepted unanimously at a Tuesday afternoon meeting.

The decision can hardly be called an impulsive one, since the question of what to do about lopsided population in Amarillo has been brewing for many years.

Tuesday's decision down at Canyon may not have solved ALL the problems of county government, but it has done the one big job that needed attention most.

The people of Randall County, for years divided by precinct districts without fair representation, are at last to get an equal shake

through the new program of dividing its population and land area into as evenly distributed four precincts as possible.

We say hooray for Randall County!

And we shout it twice for those four commissioners who took care of their own affairs in the face of problems that might otherwise have left them floundering along with whatever their big neighbor Potter County wanted to do.

They didn't wait for Potter County to make up its mind . . . and they didn't ask anyone if they COULD. They did it . . . to the surprise and dismay of a few, but to the delight of thousands of people who have not in the past had adequate representation in their local government.

## I GIVE YOU TEXAS

Worth Theater Had Ted Lewis,  
Dave Appollon on 1931 Billing

The missing feature that I deplore most about our cities is the decline, and virtual disappearance, of live theater.

When I moved to Fort Worth in 1931, the Worth Theater still offered an occasional road show - such as one headlined by Ted Lewis and another by Dave Appollon. Do you remember the Hawaiian who wowed audiences with a single line delivered with a solemn face? Appollon would announce "We have received thousands of letters requesting the next song. How many letters have we received?" The Hawaiian would reply, "One postcard."

Another show at the Worth starred Joe Penner, who waved a cigar around and asked, "Wanna

buy a duck?", which became a national expression. The large and excellent orchestra, led by Hyman Maurice, featured a bald headed drummer; a tenor, Ewen Hale, and Fred Lowry, a blind whistler.

In the early 1930's, there was even one burlesque house still running on Main Street.

A few years before, when I would come into Fort Worth from West Texas, the Majestic presented the finest vaudeville. "Ginger" Rogers, then a young dancer and comedienne was the top attraction on one bill and another was Ray (Rubber Legs) Bolger.

But revues, vaudeville and burlesque have disappeared into the

## Washington Report Those Small Cars

By Representative Walter Rogers  
18th Congressional District

In last week's newsletter I discussed the attempts of the federal government to dictate the design and operational features of automobiles. In the last paragraph of that letter I called attention to an observation by one of my colleagues who has an excellent sense of humor. I quote the paragraph referred to:

"One Member was heard to observe that the next thing we know, rural mail carriers will be driving foreign-made cars, and some bureaucrat in Washington will require all of the farmers to shorten the posts supporting their mail boxes so the mail carriers will not have too much difficulty in delivering the letters from low slung automobiles."

Another member of Congress read this newsletter and told me that this was not so far-fetched, because it had already happened in his district. He offered to let me have a copy of the letter he

received concerning it, and I was very pleased to get it. I will not use the name of the congressman or of the letter writer for obvious reasons. Here is the major portion of the letter received by the Congressman:

"The other Day I got a note on a U. S. government slip to lower my mail box to three feet. It has been a little higher all the time. I don't think you know why. I will tell you.

"The mail man has bought a new car and it is one of those little cars of a foreign make and the box is too high for that make. He is working for U.S.A., gets his money from same.

"He has stopped the sale of the American car. Our workers are laid off. Is he a Real American? Stop this in our government."

The Congressman took the matter up with the Post Office Department and was advised that it would be the policy of the partic-

ular region in which this was located not to require the raising or lowering of rural boxes to conform with the changes in the mode of travel of the carrier. The flaw here lies in the fact that the Post Office Department has been divided into regions throughout the country and the "region" referred to here is not located in the Southwestern part of the United States. I sincerely hope that the region in which Texas is located does not permit any "notes on U. S. government slips" to be sent out in our area.

### Housing Bill Veto

At the time this letter is being written, word has just come to the office that the President has vetoed the second housing bill sent to him by Congress.

I can appreciate the attitude of the President with relation to certain features of the bill, to wit, urban renewal and public housing. As to urban renewal, I do not feel that the federal government should be required to pick up a sizable portion of the tab to renovate commercial and semi-commercial property that has been milked for profits year after year.

Certainly there are many portions of many cities that need renovating, insofar as this type of property is concerned, but I do not feel it is the responsibility of the general taxpayer in the United States to pay a large portion of this bill. Public housing has been highly controversial at all times. I sincerely wish it were possible for those people, who find it necessary to occupy public housing, to be able to finance and purchase a home of their own.

However, it appears that point in our economy has not yet been reached, when housing facilities in many areas can be offered to the low income group of our society at a price they can afford to pay, nor a credit program acceptable to money lenders. That is the reason there is such a hue and cry from most of the large city areas for public housing — city areas that have many members in the national Congress.

The same problem is present with regard to the aged, although it is not a problem of the tremendous size as that of the general public housing problem. Unless dwelling accommodations can be available to the aged at a price within their economic range, the demand for public housing, or low-cost money to build this type of housing, will increase measurably in the very near future.

**Supports FHA Program**  
It has always been my contention that one of the greatest bulwarks this country has against Communism is home ownership, the right and privilege of private ownership of real property that one can call his home. It is this basic principle that has led me to continue to support the FHA programs. These programs have made it possible for thousands upon thousands of Americans to own and establish a home in the early years of their lives—a privilege that was denied many of our ancestors.

Home ownership has gained such wide acclaim and approval that it is wholly inseparable from our general economy. It affects everyone from the man who chops down the trees to the last clerk in the bank and money lending institutions who puts the stamp of approval in closing the final loan. The Donnybrook between the President and Congress on the housing issue has created a situation that is causing the government to be writing "hot checks" in issuing commitments incidental to the federal guaranty of housing loans.

This has created a situation that has enabled the large money lending institutions of this nation to reap a tremendous profit at the cost of the contractors, the builders, the smaller money lending institutions, and John Q. Public. I sincerely hope that this controversy can be resolved before this Congress adjourns, because I would hate to see this situation of permitting these unconscionable profits to go on until the first of January.

## Joseph A. Hill Chapel is Scene Of Wilkins, Holtzclaw Rites

The Joseph A. Hill Chapel recently was the scene of the double ring ceremony uniting Miss Jessie Wilkins, daughter of Mrs. B. O. Wilkins of Canyon, and Don Holtzclaw, son of Mr. and Mrs. J. D. Holtzclaw of Dumas.

Dr. Strauss Atkinson, pastor of the First Baptist Church, read the nuptial vows before an altar decorated with white wrought iron baskets holding large white mums, white Formosa fern and white jade leaves accented by white satin ribbon bows. White posts holding satin rope and candelabra holding white tapers completed the decorations.

### Traditional Music Used

Mrs. Meade Humphries, organist, played traditional nuptial selections as a wedding prelude and accompanied Bill Knighton of Canyon, who was soloist.

Miss Joy Harrison of Levelland was the bride's only attendant. She wore a dress of pink nylon over taffeta, fashioned with a low neckline, fitted bodice, and full skirt, and a headpiece of matching net. Her colonial bouquet of pink gladioli was accented by satin leaves and white satin bows.

Ronnie Smith of Fort Worth was best man, with Manuel Kesner of Farwell and Robert Pearce of Levelland as ushers.

Given in marriage by her brother, Wiley Wilkins of McCamey, the bride wore a gown of white nylon lace over white satin and net, fashioned with scooped neckline, edged with dainty lace and accented by seed pearls.

### Carries Treasured Bible

Her finger-tip veil of bridal illusion fell from a headpiece of tiny white roses and seed pearls. Her bouquet of pink sweetheart roses with white ribbon streamers was placed atop a treasured Bible.

The mother of the bride wore a beige ensemble with harmonizing

accessories and a corsage of white gladioli. The bridegroom's mother wore a beige suit with white accessories and a corsage identical to that of the bride's mother.

A reception at the Baptist Student Center followed the ceremony.

### Laid in Pink

The bride's table, laid with a pink cloth, was centered with an arrangement of white mums and feathered pink streamers bearing "Don and Jessie" in silver letters.

Members of the house party were Mrs. W. C. Wilkins, Mrs. James Wilkins, Mrs. Bill Knighton, and Miss Linda Phillips.

The bride is a graduate of West Texas State College and is teaching second grade at Will Rogers School in Amarillo. The bridegroom, a 1956 graduate of Dumas High School, is a senior physical education major at WT.

The couple will live at 620 W. 11th in Amarillo.

## New Responsibilities Stressed by W.S.C.S.

The Woman's Society of Christian Service heard Mrs. Piner Stevens discuss the new year and new responsibilities at their first fall meeting Tuesday morning. The theme for the year will be "There's a Light Upon the Mountain."

Mrs. A. W. Lair sang the theme song, and Mrs. T. V. Crouse presented a story of one missionary's experiences. In buzz sessions suggestions for carrying out the work of the society were discussed.

A luncheon was held in Fellowship Hall of the church following the program.

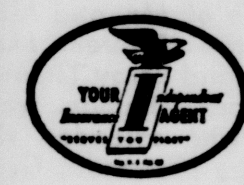

Amber is used chiefly for making the mouthpieces for pipes.

HUMBLE Presents...THE NEW TIRE of this generation!

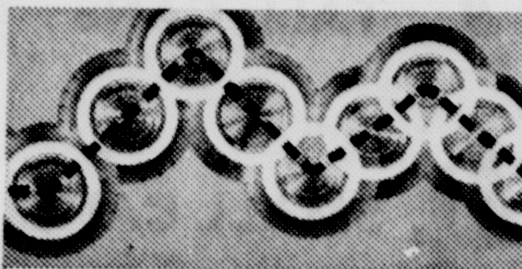

## ATLAS BUCRON TIRES

Positively No Squeal!

### YOU CAN'T MAKE IT SQUEAL!

The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle new rubber of the tread.

Ordinary tires "bounce" . . . multiply bumps and jars.

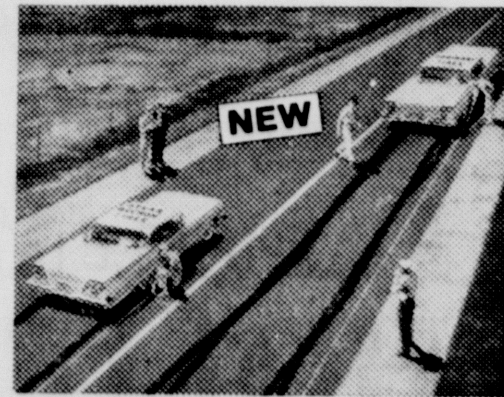

Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

**SOAKS UP BUMPS AND JARS!** You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

**Trade Now for a set of these amazing new tires.** Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. Equip your car with Atlas Bucron Tires on all four wheels.

### GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. (Note: All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

### SAFER! STOPS 30% QUICKER THAN ORDINARY TIRES

Tested against other tires, the Atlas Bucron Tires stopped 30% quicker—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on wet pavement than ordinary tires on dry.

Mr. and Mrs. J. W. Thomas celebrated their golden wedding anniversary recently at the home of Mr. and Mrs. D. T. McGehee in Wayside. Their three children, Mrs. McGehee, Garnett E. Thomas of Amarillo, and Leroy Thomas of Tulsa, and granddaughter, Sherrie Fern Thomas, were present. Also attending were several who attended the wedding 50 years ago. They included the best man, C. S. Thomas, brother of the groom, Mrs. Eunice Powell, and Mrs. J. P. Townsen, sisters of Mrs. Thomas.

## Noise Is Getting Worse in World

This is a noisy world we live in—there's no doubt about that. And things are getting noisier!

Sounds like the loud radio next door or all of the neighboring kids enjoying their games with squealing delight are major offenders. Medical experts show that noise where we work, where we live and sleep, where we travel to and from work can cut down our efficiency, impair our peace of mind, our health and our comfort.

Noise, they reveal, brings sleeplessness, tired nerves, and poor digestion. Noise is measured in units of decibels. When the noise level reaches 70 decibels or more, it has a definite ill effect on the digestion.

Normal sounds in a business office will combine to create a noise that measures 60 decibels. A noisy office often hits 70 decibels.

A whisper five feet away amounts to 25 decibels. The loud radio next door probably registers 65 or more. An automobile horn blasted at you from a distance of 10 feet jumps the count to 120 decibels, hurts your ears, and probably makes you mad. An ordinary conversation averages 50 decibels. Occupational deafness seems to

## Brazil Issues Call For Fair Exhibits

County Agent John Brazil has repeated his call for outstanding agricultural exhibits to display at the Tri-State Fair in Amarillo next week.

Exhibits needed are grain sorghums, vegetables, and other horticultural products to be shown in the owner's name in the county booth.

Prize money won will be given to the owners. Brazil will pick up any items for exhibit, but must have them by Friday in order to arrange the booth.

Mr. and Mrs. Elton Thompson and boys and Paul Thompson of Mangum, Okla., spent the weekend with his brother and family, Mr. and Mrs. Russell Thompson.

be more and more common. As our cities become noisier there is more deafness among road builders, bus and traffic drivers, printers, and traffic policemen. Surveys of the most annoying noises list automobile horns, squealing brakes, city buses, cut-outs, and motorcycles as the worst offenders.

Close to the top among other objectionable sounds are those from overland radios—that belong to someone else—factory whistles, riveting, pneumatic drills and noisy games and parties.

By VERN SANFORD  
Texas Press Association

AUSTIN — "Dogwood time in Texas" could come around Thanksgiving this year.

In years past, the deadline for candidates to file for a place on the Democratic primary ballot was the first Monday in May. Would-be candidates frequently followed an old East Texas tradition of holding off formal announcements "until the dogwood is out."

Election law changes passed this year move the filing date up to February 1. If the whole schedule is moved up accordingly, "dogwood time" would be from late November to early December.

Probably, for the first time at least, long habit will cause most candidates to feel this is too early to file for the first time in 1960. Also for the first time in 1960, county officials will face a new fact of life. A constitutional amendment adopted last year bars them from running for their present office while holding their present office. It has more than one year to run.

In some parts of the state August was the wettest month this year. U. S. Department of Agriculture has estimated the state's 1959 cotton crop at 4,525,000 bales. This is 225,000 bales less than was predicted earlier. Wet weather, causing insect damage, and not particularly in East Texas, was blamed. Quality, as well as quantity, of cotton has been hurt by the rains.

In some parts of the state August was the wettest month this year. U. S. Department of Agriculture has estimated the state's 1959 cotton crop at 4,525,000 bales. This is 225,000 bales less than was predicted earlier. Wet weather, causing insect damage, and not particularly in East Texas, was blamed. Quality, as well as quantity, of cotton has been hurt by the rains.

Conflict has developed between the City of Houston and the Trinity River Authority for which Dallas and other upriver residents were spokesmen. Each group wanted a permit from the State Board of Water Engineers to build a reservoir on the Trinity.

Charges and counter-charges were exchanged with a strong undercurrent of regional rivalry. A shouting contest before the Water Board seemed inevitable. Now TRA and Houston have agreed on a plan by which the reservoir would be built, owned and operated jointly by the two. Houston would pay 70 percent of the cost and get 70 percent of the water.

Plan cannot be final until approved by the Water Board. Bats are a nuisance, warns the State Health Department in its September bulletin.

Department officials have studied several cases in which rabies was apparently transmitted to people by bats. Two of the cases involved women who were trying to help bats that seemed to be hurt. Death resulted in each instance.

Bats serve a useful purpose, the bulletin points out, consuming as much as twice their weight in insects each night. A healthy bat, it continues, won't come near people. And if people exercise reasonable caution, says the article, there is little danger.

SHIRK DUTY Successful men pull their own weight — others just throw their weight around.

CON GAME Always try to remember that the fellow with a scheme is not looking out for your interests.

LACK INITIATIVE The world is full of people with good ideas, but only a few bother to push them along.

# Eagles Blast Hereford For Second Victory

The Canyon Eagles rocked Hereford back on its heels early in the game Friday night then rolled to their second football victory of the season by downing the Whitefaces, 38-8.

The Eagles tallied in every frame of the contest in blasting Hereford in the Whitefaces' first 1959 tilt.

Big guns for Canyon were Chuck Nester, Jerry Richardson, Mike Poope, and Tommy Henderson. This foursome punctured the Hereford line almost at will as the Eagles amassed 381 net yards rushing.

Fullback Nester accounted for 105 of the 381 yards as he lugged the ball 14 times for an average of 7.5 yards per carry against Hereford.

## 7 Yards Per Try

Quarterback Richardson carried the ball 13 times for an average of nearly seven yards per carry

in gaining 89 yards. Halfback Poole carried the leather eight times for 64 yards, or an eight yard average, while Fullback Henderson picked up an amazing 72 yards in only five carries for a 14.4 yards per carry average.

The Eagles scored when the game was a little over five minutes old when Nester blasted the middle of the line. A pass from Richardson to end Jim Killingsworth was incomplete for the conversion attempt and with 6:57 of the first quarter left to play, Canyon led, 6-0.

Canyon also struck early in the second period when Poole intercepted a Whiteface pass on the Canyon 48 and rambled 52 yards to paydirt. Nester skirted right end for the PAT and the Eagles led, 14-0, with 7:51 left in the second stanza.

## Clement Recovers Fumble

On the kickoff, a Hereford fumble was recovered by guard Zeke Clement on the Whiteface 24 yard line. An easy Eagle TD followed when halfback Jim Marrs sprinted around right end for eight yards to the end zone. Nester again hit the right end spot for the two-point conversion. The Eagles were ahead, 22-0, with 5:54 left in the second frame.

Richardson tacked the fourth Canyon tally on the score board as he worked the option play from the Hereford 6 with 5:16 left in the third quarter. The play capped a drive which began on the Eagles

36 yard line. Nester worked left end for the PAT.

A fine 56-yard run by Tommy Henderson in the fourth period posted the Eagles' final score. Henderson found a hole at the Canyon 44 yard line, evaded would-be tacklers at the Hereford 35, and broke through for the score with 7:56 left in the final frame. Richardson circled right end for the conversion.

## Whitefaces Score

Hereford's score came with nine seconds remaining in the first half, climaxing a 48 yard march. Hereford halfback Dwaine Cassels sprinted across the double stripe from the Eagles 20 yard line for the tally. Halfback Herman Harrison posted the two-point conversion.

The Whitefaces didn't pose another serious scoring threat during the game.

The Eagles rolled to 381 yards in beating the big Hereford eleven, while holding the Whitefaces to a net of 195 yards rushing. The Whitefaces didn't complete a pass. Canyon completed four of 10 passes for 20 yards.

## 20 First Downs

The Eagles marked up 20 first downs to the Whitefaces' 14. Canyon fumbled three times, while Hereford fumbled five times. The Eagles recovered one of their fumbles and Hereford pounced on two of its fumbles.

Henderson punted four times for a 33.5 yard average and Dicky Mason booted the ball six times for Hereford and a 35.5 yard average. The Eagles were penalized eight times for 80 yards and the Whitefaces had 15 yards stepped off against them on three penalties.

## RAMLING AROUND

DOYLE G. THOMAS

The date for signing up for the 1960 Conservation Reserve Program (Soil Bank) has been extended from September 10 to September 30.

Changes are being made in the program and interested farmers should make an application for a farm rate. These applications are not binding and a farmer can make up his mind after he has been notified of the rate.

Please bring information concerning the acreage of crops and the yields produced during the years 1955 through 1959 on the land being offered. This will save both you and us time in filling out the application.

The following wheat varieties will be discounted 20 cents per bushel under the 1960 Wheat Loan Program.

Hard Red Winter—Blue Jacket, Cache, Chiefkan, Cimarron, Early Blackhull, Kan King, Karkof MC22, New Chief, Pawnee Sel. 33, Purkof, Red Chief, Red Hull, Red Jacket, Stafford, Wasatch, and Yogo.

Soft Red Winter—Kan Queen, Kawale, Nured, and Seebreeze.

There are also a few varieties of Hard Red Spring and Durum wheat that will be discounted. These are available at this office.

The purpose of the discount is to encourage farmers to grow good milling qualities of wheat. Certainly this would help the area in the marketing of wheat if none of the poorer varieties were grown.

Each farmer signs a certification at the time he applies for a loan stating the variety of wheat produced. If a false statement is signed and it later comes to our knowledge the loan will have to be paid off with interest.

Loans for the full rate will not be approved if we have knowledge at the time that the wheat is one of the poorer qualities.

Reforming the human race is a major project—especially for only one person.

## Holstein Owned By Canyon Man Gets Top Rating

Lilacvalley Ace Nancy 3384000, a registered Holstein cow owned by Richmond Hales of Canyon, has

been officially classified "Excellent" — the highest designation attainable in the type classification program of The Holstein-Friesian Association of America.

This highly select designation is applied only to animals scoring 90 or more of the 100 points representing theoretical perfection in body conformation.

Of nearly 45,000 registered Holsteins officially classified for type last year, only 358 were rated "Excellent."

The Hales Holstein moved into the "Excellent" bracket for the first time during a recent classification of the herd by R. C. Chapman, of Ruthven, Iowa, an official inspector on the staff of the national Holstein organization.

The Classification Program — in continuous operation since 1929 — provides a universally recognized method of comparing the conformation of living animals with that of the True-Type Holstein cow or bull.

## LEGAL NOTICE

ORDINANCE NO. 214  
"AN ORDINANCE FORBIDDING ALL PERSONS OWNING, RENTING, CONTROLLING OR HAVING UNDER THEIR CONTROL, OR THE AGENT OF ANY SUCH PERSON, ANY PREMISES WITHIN THE CITY OF CANYON, TO PERMIT OR SUFFER THE SAME TO GROW UP IN WEEDS, GRASS, OR OTHER GROWTH SO AS TO ENDANGER THE HEALTH OF THE PUBLIC OR COMMUNICATE FIRE TO ADJACENT PREMISES, PROVIDING FOR A PENALTY AND DECLARING AN EMERGENCY."  
BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CANYON:  
Section 1: That it shall hereafter be unlawful for any person owning, renting or having under his or their control, or the agent of any such person, any lot or premises, whether vacant or improved, in the City of Canyon, to suffer or permit the same to grow up in rank weeds, or grass, or to suffer or permit any down timber or brush, old logs, decaying vegetable matter, or other debris, on any such lot or premises, so that any such weeds or grass or other matter herein may endanger the health of any adjacent owner or the health of the public; or that may reasonably be calculated to communicate fire to any adjacent premises.  
Section 2: That any person violating any of the terms of the above ordinance shall be subject to a fine, upon conviction in the Corporation Court, in a sum not to exceed ten dollars (\$10.00), and each and every day that the premises are permitted or suffered to exist in violation of the above ordinance shall constitute a separate and distinct offense.  
PROPOSED AND PASSED this 10th day of September, 1959.  
CHARLES E. DONNELL  
Mayor of the City of Canyon  
ATTEST:  
Herschell Stevens  
City Secretary  
The above and foregoing ordinance was duly introduced by Commissioner Lowell Harrison and was duly seconded by Commissioner John P. Taylor, and after having been put to a vote was unanimously adopted on this 10th day of September, 1959, a quorum of the commissioners being present.  
CHARLES E. DONNELL  
Mayor of the City of Canyon  
ATTEST:  
Herschell Stevens

## Canyon Classroom Teachers Fete Miss Ada V. Clark With Tea Sunday

The Canyon Classroom Teachers Association honored Miss Ada V. Clark with a reception Sunday afternoon in the home of Dr. and Mrs. Ples Harper. Miss Clark reviewed last spring after teaching music at West Texas State College and Canyon public schools for a total of 31 years.

Mrs. Harper received the guests at the door. They were presented to the honoree by Miss Mae Simmons, president of the Canyon Classroom Teachers Association. Mrs. J. E. Miller and Miss Elva Fronabarger were seated at the guest book.

Members of the host organization were in the house party.

**Musical Motif Used**  
The table in the dining room, from which assorted cakes and fruit punch were served, was covered with an imported linen cloth. In the center, a book, designed from styrofoam, was open to a page of music appropriately titled "With a Song in Her Heart." A baton lay across the book, and nearby stood a miniature music director. Pink ribbon streamers on each side of the music motif led to identical vases of pink and red roses.

Mrs. Charles Harter and Mrs. J. A. Hill presided at the punch bowl.

Miss Clark has been active in the Classroom Teachers Association since it was organized in Canyon. She has prepared musical numbers and programs for numerous school, civic, and religious groups in Canyon and over the Panhandle.

**150 Guests Call**  
Among the 150 guests who called between the hours of 3 and 5 were friends and colleagues, members of her family, patrons, and many of her former students.

Out-of-town guests registering

Miss Corinne Nash, Waco; Mrs. Elaine Cundiff Phillips and daughter, Julia Elaine, Austin; Mr. and Mrs. William J. Clark, Plainview; Miss Jewell Foster and Mrs. Cassie Wilson, Dumas; Mrs. Newton Harrell, Claude; and Mrs. Raymond G. Foster, Mrs. Harry G. Hollis, Mrs. Mae Williams, Dr. Evelyn Powers, Dr. George Powers, Miss Anna I. Hibbets, Miss Violet B. Davidson, Miss Alma Hall, Miss Carmen Ulm, Miss Louise Orr, Miss Maxine Sloneker, and Miss Mary Ollie Persons, all of Amarillo.

## Rebekah Lodge Meets Wednesday Night

Mrs. Laura E. Davis was welcomed into the Canyon City Rebekah Lodge No. 350 at the meeting Wednesday evening. Mrs. Isabelle Dickinson and Mrs. Myrtle Wester told of the meeting they attended in Amarillo with the San Jacinto Lodge for the meeting of the grand master of Texas, Roy Kaetzmeier of Pampa, and Mrs. Bessie Clifton, state president of the Rebekah Assembly of Texas. Rebekah visitors are welcome to the meetings which are held on the second and fourth Wednesdays of each month.

## Industrial Relations Meeting Slated October 14 at West Texas Campus

The Seventh Annual Panhandle Industrial Relations Conference, jointly sponsored by the Panhandle Personnel Association and West Texas State College, will be held October 14 at the main auditorium on the West Texas campus in Canyon.

Carl M. Smith of Mason and Hanger - Silas Mason Co., Inc., Amarillo, is general chairman of the one-day meeting, which will open with registration at 8 a. m.

"Our effort each year that we have had this conference has been to improve the skills and abilities of the first-line supervisor. Our ever increasing attendance testifies to our success, and we sincerely feel that the upcoming conference will afford the management of industries in our area an outstanding opportunity to improve the performance of their foremen," Smith said.

Three top-line speakers have been obtained to present three principal subjects.

W. C. Christensen of the U. S. Department of Labor, Washington, D. C., will talk on "Labor Law for First Line Supervision". Harry Malzeke, E. I. DuPont Company, Wilmington, Delaware, will speak

### Applications Due For Tax Refunds

Only two weeks remain for farmers to file applications for refunds of federal gasoline tax, according to John Brazzil, county agent.

Deadline for filing applications is September 30.

Rate of refund is three cents a gallon for gasoline used on the farm for farming purposes between July 1, 1958, and July 1, 1959. Application forms are available through the county agent's office.

This application is for federal tax refund only. State tax refund forms must be filed separately.

on "The Supervisor's Role in Cost Reduction", while Melvin Munn, Panhandle Insurance Agency, Pampa, will have as his topic, "Supervisor's Responsibilities in the Area of Public Relations."

Registration fee for the conference is \$5.00, which includes luncheon in the College Cafeteria. Advance registrations can be made with Don Haley, Continental Carbon Company, 1400 West 10th, Amarillo, Texas.

### Mrs. W. E. Miller Will Conduct 3 P-TA Schools

Mrs. W. E. Miller of Canyon, regional vice president of Texas State Congress of Parents and Teachers, is conducting three school of instructions for area schools this week.

Mrs. Miller is conducting a P-TA school of instruction at Lubbock today, and will be in charge of one at Levelland tomorrow and another at Plainview Friday.

Purpose of the one-day instruction course is to assist officers, committee chairmen, and leaders in properly conducting their duties in P-TA work.

Mrs. Miller attended a regional board of directors meeting yesterday in Lubbock.

### AAUW Tea Slated Sunday Afternoon

The annual tea of the AAUW will be held Sunday from 4 until 6 in the afternoon at the Home Management house on the West Texas State campus.

All interested and eligible women are invited.

Further information may be obtained by calling Mrs. Lowell Harrison at OL 5-2250.

Entries from six local farms will be judged by Cecil Ayers of the Agronomy Department of Texas Tech at DeKalb's sorghum show, to be held in conjunction with the Tri-State Fair at Amarillo. Ayers is displaying the trophies and winning samples in last year's DeKalb show at Cedar Rapids, Iowa. Local entries and their samples are Allen Winters, F-63, Pete Fischbacher, F-62 and F-63, J. R. Stork, F-62, Vincent Friemel, F-63 and John Wieck, D-55. Henscheid's Feed and Farm Service will enter various other DeKalb varieties.

## Cemetery Board Elects New Officers At Meet, Praises Retiring Officials

New officers of the Dreamland Cemetery Association were elected and a resolution adopted praising work done by the retiring officers at a meeting of the board of directors of the Dreamland Cemetery Association last week.

Mrs. Clyde W. Warwick was voted president of the board, while Roy Whittenberg was elected vice president and Bill Sternberg was named secretary of the board.

Returning officers are Levi Cole as treasurer and Arent Lair as counselor. Other board members are Tom Black, Mrs. Alfred Bellah, Mrs. J. O. Parker, and Dr. J. A. Hill.

The resolution which was passed

unanimously by the new board of directors praises the work done by Mrs. Lonnie Byars, out-going president, Dr. Ford Fronabarger, out-going vice president, and R. B. Allen, out-going secretary.

The resolution states, "Whereas they have led in the re-organization of the Association, having converted it into a permanent care organization, having obtained a charter therefor, having instituted far-reaching and salutary changes in its management, and having gained for that body community-wide favor,

"Therefore, be it resolved by the current Board of Directors that individually and collectively we

## Growers of Wool Vote on Program

Ballots of wool growers in the 1959 referendum on advertising and sales promotion of lamb and wool are now being voted at the county ASC office and are also beginning to come in through the mail, Doyle G. Thomas, ASC office manager, said.

The referendum is being conducted through the month of September to encourage the largest possible vote by wool and lamb producers. There is a ballot box in the county office which may be used for secret balloting in person and also is used to deposit unopened any ballots received by mail.

In the referendum, growers vote either for or against continuing the present promotional program for lamb and wool, which is financed by deductions from incentive payments earned by growers under the national wool program.

This deduction has been in effect since the wool program began in 1955, and it would continue for another three years if favored in the referendum. Deductions would not exceed the present level of one cent per pound for shorn wool and five cents per hundred weight for unshorn lambs.

An eligible voter is any individual or legal entity which owned one or more sheep six months of age or older for a period of at least 30 days since January 1, 1959.

The county ASC office has mailed a blank ballot to each known producer of wool or lambs in the county. Any producer who has not received a ballot through the mail should notify the county office immediately, Thomas said.

express to these faithful public servants our sincere appreciation of their fine work for Dreamland Cemetery and for this community, and hereby pledge to them our undivided purpose to carry out the objectives they have so consistently and unselfishly pursued."

### AMITY CLUB TO MEET

The Amity Club will meet with Mrs. R. H. Long, 1707 Sixth Avenue, at 2:30 p. m. Friday. Each member is to be prepared to tell

of an interesting experience or trip taken during the summer.

The man who bets on the races is mighty wise if he lets his wife hold the stakes.

## Shannon Downing Shower Honoree

Miss Shannon Downing, bride-elect of Gary Jones of Amarillo, was honored with two showers this week in the home of Mrs. James Cabe.

Miss Downing was complimented with a miscellaneous shower Saturday evening in the Cabe home. In the receiving line were Mrs. Bill Downing, mother of the bride elect, the honoree, Mrs. James Franklin, and Mrs. Robert Cabalero, of Amarillo, sisters of the bridegroom elect, and the hostess, Miss Downing wore a pink carnation corsage.

The tea table featured the bride elect's chosen colors of pink and white. Laid with a white cutwork cloth over pink, the refreshment table was centered with a bride under an arch of tiny pink roses and entwined with greenery. Mrs. Troy Jones and Mrs. R. B. Jones of Amarillo, sisters-in-law of the bridegroom elect, and Mrs. W. K. Bagley presided at the tea and coffee service.

Forty-five guests were registered

by Miss Nancy Downing, cousin of the bride-elect, and Mrs. Cecil Pitt of Amarillo. Honored guest was Mrs. Frank Wood, grandmother of the bride-elect, who wore a white corsage for the occasion.

Mrs. Herman Demus and Mrs. Houston Bright furnished the background music during the appointed hours from 7 until 9.

Hostesses were Mrs. C. N. Cosby, Mrs. Oscar Hinger, Mrs. T. H. Lair, Mrs. W. H. Higdon, Mrs. O. W. Parker, Jr., Mrs. J. M. Daugherty, Mrs. Levi Cole, Mrs. Lon Fanning, Mrs. Clay Cooper, and Mrs. Cabe.

### Personal Shower

Mrs. Cecil Pitt of Amarillo, daughter of Mr. and Mrs. Jim Cabe, Miss Marcia Barker, Miss Nedra Fanning and Miss Karen Sue Parker were hostesses at a personal shower given for Miss Downing Thursday evening.

Cakes and cookies were served to the guests.

Mr. and Mrs. John H. Dietz, Dwight, Janet and Charlotte spent the Labor Day weekend at Carlsbad, New Mexico.

Trying to make both ends meet is the battle of a lifetime.

## Carver-Peek Vows Exchanged Friday

Mrs. Sylvia Key Carver, daughter of Mr. and Mrs. C. L. Key, and Lonnie E. Peek, son of Mr. and Mrs. C. E. Peek of Lubbock, were married in a double ring ceremony at Asbury Methodist Church in Lubbock Friday evening, Rev. Don R. Davidson officiated.

Mrs. Peek wore a dress of Dior blue velvet with a picture frame neckline and a full soft pleated skirt. Her hat was of matching velvet with a hairline veil. White carnations atop a Bible formed her bridal bouquet.

Mrs. W. B. McElwee, aunt of the bride, was matron of honor. She wore a champagne colored lace sheath. Floy Brownfield was best man. F. M. Reep and Donald Holcomb served as ushers.

A reception following the wedding was held in the home of the bride's cousin, Mrs. Rex Bridges.

The couple will be at home at 1528 29th Place in Lubbock.

Mrs. Peek was graduated from Canyon High School and Mr. Peek was graduated from Tom S. High School in Lubbock and attended Texas Tech.

Kids who grow up small towns have a chance to be kids. They learn to notice and enjoy the fresh air, the blue sky, the sun and moon, the sand, rain and snow. Most of them have parents whose love is as sure as the occasional scolding. They go to school, scuffle with other kids, have a dog or kitten as a pet, and approach the sober problems of life with normal conditioning.

But the city youngsters who are making headlines these days as juvenile gangs - have they the same chance? Do they ever get to be children, or are they catapulted into adult problems before they understand themselves?

Hardness surrounds a young person in a large industrial city. Brick walls, concrete pavements and sidewalks, faces made hard by tension and poverty, hearts made hard by adversity, tend to erect walls of hardness inside him. The normal development of a human being doesn't thrive in such an atmosphere.

Recent stories of a New York teenager who was the leader in two senseless murders describe him as a self-styled "Dracula." Could this desire to be somebody special, to have an identity of his own, have been channeled by understanding parents? Did his parents turn over to the cheap movie makers and sensational tv writers the job of feeding his youthful imagination? Did they supply that irresistible land of make-believe that youngsters should get through story books and "secret" caves?

It may be over-simplifying a serious and frightening problem to say old-fashioned ideas about how to bring up a child could stop the youthful crime wave. Surely the blight of city tenements can be off set by homes with real heart; where children are allowed to be children before they are expected to understand the complex world outside.

### LOSES FACE

The man who insists nothing is too good for him usually finds out anything is good enough for him.

## JWBC Launches Year's Activities With Space Meet

The Junior Woman's Book Club launched its year's program when a program on space was presented Friday in the Panhandle-Plains Historical Museum.

Mrs. Clarence Eugene Thompson, head of the program committee, was in charge. The theme, "Infinite Concerns in our Space Age," was outlined by a tape recording narrative by Mrs. Michael Morris.

Refreshments were served to members before the meeting.

### SELF-DISCIPLINE

It's easy enough to renew a good resolution, but just as hard to stick by it as before.

Some people spend money they can't afford because they feel they can't appear not to be able to afford the things other people have.

## Killing Illegal Game Keeping Wardens Busy

AUSTIN—Law enforcement duties in the West Texas area have picked up considerably since the first of September, according to the director of law enforcement of the Texas Game and Fish Commission.

Within a week's time, 42 cases were made against hunters in the West Texas area, who killed curlew, plover, and quail out of season. The shooting of curlew and plover is a federal offense as well as a state offense.

Although there seems to be a bountiful supply of doves throughout the state, shooting in some areas has been somewhat erratic.

Weather changes started the bird movement and wardens of some counties report slow hunting. Water hole shooting has been slowed in many areas because of rains. On the other hand, a bountiful grain crop has provided so much food in other areas that doves are not inclined to leave.

The director warned against hunters killing more than their limit of 10 doves, and against violation of shooting hours.

## New Faculty Members Honored by Tea Saturday

New college faculty members and their wives were honored with a dessert party at the home of Dr. and Mrs. J. B. Roberts Saturday evening. Hosts for the occasion were members of the WT Chapter of the Texas Association of College Teachers.

Cake, coffee and tea were served to 120 guests.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "wash-board" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, braunier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.

See them soon at your local authorized Chevrolet dealer's.

## Langston Checks 17 Winners to Cop Grid Contest

Stephen Langston picked 17 of 20 winners correctly last week to win The Canyon News' weekly football contest, sponsored by 16 Canyon firms.

For predicting the most winners in the contest, Langston will be awarded a \$5 merchandise certificate, good at any of the sponsoring businesses.

To enter the contest, all you have to do is check the box beside the team which you think will win

its football game on Friday or Saturday. For the tie-breaker game, which will be used only in the event of a tie, a score must be predicted.

Anyone may enter the contest as many as three times each week, using the official contest entry blank, printed with the pictures of the Eagles football squad, in Section Two of today's News.

Mr. and Mrs. Frankie Cook of O'Donnell visited with Mr. and Mrs. Charles Pierce Sunday. They were in Canyon to enroll their daughter, Patsy, in college.

America is the second largest land mass of the globe.

## Home Tour Set For October 4

The Junior Woman's Book Club will present its annual home tour from 2:30 to 5:30 p. m. October 4.

Homes to be featured will be those of Dr. and Mrs. R. A. Neblett, Dr. and Mrs. J. Manly Bryan, Jr. and Dr. and Mrs. W. J. Wooten, Jr. Cabins at Canyon City Club in the tour are those of Dr. and Mrs. R. P. Jarrett, Jr., Dr. and Mrs. W. W. Stout, and Mr. and Mrs. Conway Kuykendall.

Tickets for the Sunday afternoon tour may be purchased from any club member for \$1. Proceeds will go to support the club's community projects.

Refreshments will be served at the Wooten's.

Mrs. Carroll Meek is in charge of the project.

## Toastmasters Pick Slate of Officers

Hampton Lisle was elected president of the Canyon Toastmaster's Club Monday at a regular meeting of the organization.

Elected educational vice president was Bill Davis, while Mike Morris was voted administrative vice president.

Other new officers are Guy Knowles, secretary, Joe Frank, treasurer, and Don Duncan, sergeant-at-arms.

The new officers will be installed at a special installation dinner and ladies night program, which is being planned for October 12.

The club also voted to change its meeting time to 6:15 p. m. on Monday, with adjournment slated for 8:15 p. m. The new meeting time will be in effect at the group's next meeting.

## Tickets on Sale For Little Pony

Tickets went on sale this week for "Sparky," the six-year-old Shetland pony, to be given to some lucky boy or girl on December 22 by the Veterans of Foreign Wars.

The tickets, which sell for \$1, also are good for the VFW's annual New Year's Eve party at the VFW Hall.

"Sparky" will be given away by Santa Claus on the courthouse square at the Chamber of Commerce's Christmas party. A saddle and bridle will be given with the small pony.

The tickets can be obtained from any member of the VFW in Canyon.

Miss Nancy McCormick, daughter of Mr. and Mrs. B. E. McCormick, Miss Melba Haile, daughter of Mrs. Leona Haile of Dumas, Eddie Boydston, son of Mr. and Mrs. Earl N. Boydston, and Jerry Parker, son of Mr. and Mrs. J. O. Parker, left this weekend to enroll as freshmen at Texas Tech in Lubbock.

Miss Margaret Juniper, daughter of Dean and Mrs. Walter Juniper, left this weekend to enroll as a freshman at the University of Texas.

Dr. and Mrs. A. L. Walsh and children of Levelland spent the weekend with his mother, Mrs. Andy Walsh, and her parents, Mr. and Mrs. R. B. Davis.

## Allford Succeeds James Johnson As Baptist Music, Education Head

Bob Allford, new music and education director for the First Baptist Church, began his work with the local church on September 1. He succeeds James B. Johnson, who is now music and education director of the First Baptist Church of Blytheville, Ark.

Allford comes to Canyon from the First Baptist Church of Ballinger, where he served for three and one-half years.

He is a graduate of Pampa High School, and received his B.A. degree in music education from Way-

Baptist Church of Hollis, Okla. He then served the First Baptist Church of Ballinger in the same position.

Allford is married, and has one son, Allan, aged three. Mrs. Allford is a graduate of Texas Tech, where she majored in piano and music education. While a student at Texas Tech, she served as pianist for the First Baptist Church of Lubbock. She taught public school music in Plainview for two years, and was choral supervisor and high school choral director in Plainview.

The local church honored the Allfords with a reception in the fellowship hall Sunday evening.

BOB ALLFORD

land College in Plainview. Allford has also attended Southwestern Baptist Theological Seminary in Fort Worth.

A baritone, he has had solo experience in productions of "Messiah," "Elijah," and "The Seven Last Words of Christ." He was a member of the International Choir of Wayland College for four years, and was president of the group for one year.

While at Wayland, Allford was a member of the student judicial board, president of the Thespian Club, served as vice president of his class for two years, and was elected Senior Class Favorite.

While a student, Allford served several churches in this area, including First Baptist Church, Lefors; Parkview Baptist Church, Plainview; First Baptist Church, Groom; and interim music director, First Baptist Church, Pampa.

Following his graduation from Wayland College, he became music and youth director for the First

## Last Rites Held For Mrs. Pierce

Funeral services were held September 3 for Mrs. Lola Bryant Pierce, who died September 2 in her home, 1306 Seventh Avenue, where she had been living about six months.

Rev. H. Doyle Ragle, pastor of the First Methodist Church, officiated at the services, held in the Warren-LaGrone Funeral Chapel. Burial was in Llano Cemetery in Amarillo.

Mrs. Pierce was born January 6, 1909, in Dyersburg, Tenn. A resident of St. Louis for 25 years prior to moving here, she was a member of the Eastern Star, Amaranth, and the Church of Christ at Kenton, Tenn.

Surviving are her husband, Lexie of Canyon; a son, Donald W. Feeler of Haysville, Kan.; her mother, Mrs. M. M. Bryant, of Newbern, Tenn.; three sisters, Mrs. O. W. Taylor of Newbern, Mrs. C. N. Holland of Charleston, S. C., and Mrs. B. O. Easley of Zalma, Mo.; two brothers, William A. Bryant, Jr., of Jackson, Tenn., and the Rev. L. L. Bryant of Kenton, Tenn., and two grandchildren.

## Authority Hikes Maximum Salary For City Housing

Officials of the City of Canyon Housing Authority Thursday voted to raise the maximum income limit for occupancy in the city-owned dwelling units to \$2,500 per

year.

The limit had been \$2,000 per year. E. T. Cummings, manager of the authority, said the hike was due to the general upswing in incomes over the past few years.

In other action, the authority elected Wesley Cox chairman of the board of directors and Bill Downing vice chairman. Cummings again was elected manager.

Also on the board are J. D.

Byrd, Duane Howard, and Tom Brasher.

Officials combined the quarterly and annual meeting of the authority. After dinner, they met in Cummings' office.

### Bake Sale to Be Held Saturday

The Woman's Society of Christian Service of the Methodist Church will sponsor a bake sale Saturday at Taylor and Sons, starting at 9:30 a. m.

Proceeds will be used to help send a boy to school in Cuba for one year. Miss Joyce Hill, missionary from the Methodist Church will select a boy at the school in Cienfuegos, Cuba, as the benefactor of the tuition money.

### Fairview Breezes

Mr. and Mrs. Gene Wilson of Austin visited Saturday night with his brother and family, the E. M. Wilsons.

Bobby Boyd is visiting with his aunt and uncle, Mr. and Mrs. Woodrow Wesley, and his grandparents, the George Lashes.

L. H. Barnard suffered a broken ankle when he was kicked by a calf while working cattle.

Woodrow Wesley didn't look for a soft spot to land when a horse threw him Saturday. He sustained bruises from the fall.

Patricia Patterson moved to Canyon Sunday afternoon to enter West Texas State.

Mrs. G. E. Wesley visited Saturday afternoon with her sister, Mrs. J. W. Wesley.

Visiting in the J. W. Wesley home Saturday night were Mr. and Mrs. Richard Evans, Mr. and Mrs. Arlen Wesley and Kyle of Plainview.

Visitors in the Wesley home Sunday were J. A. Carr, Mary and Pete Garcia.

Mrs. E. M. Wilson had a Stanley party in the home of her daughter-in-law, Mrs. Fern Wilson.

Mr. and Mrs. L. H. Barnard of Amarillo visited Sunday in the Woodrow Wesley home.

### O'Donald Celebrates Eighty-First Birthday

S. O. O'Donald was honored Sunday on his 81st birthday with a dinner and family reunion at the Palo Duro Club.

Attending were children and families of Mr. O'Donald: Mr. and Mrs. Vachil Ridley of Hereford, Mr. and Mrs. Eston Breittling of Tulsa, Mr. and Mrs. Dan O'Donald, Mr. and Mrs. Cecil O'Donald, E. E. O'Donald and Mr. and Mrs. Frank Biscaglia, all of Canyon. Friends attending were Mr. and Mrs. E. Gidden and Mrs. D. D. Atkinson of Canyon.

Approximately 30 members of the O'Donald family attended the birthday celebration.

Too often a genius turns out to be a bird who can't even feather his own nest.

### REPORTER-AT-LARGE

## THINGS ARE BOUND TO GET BETTER INSTEAD OF WORSE

By OSCAR GRIFFIN

Last week was just one of those weeks around the News office.

In the first place, Annette Dugan, The News' Girl Friday, was roaming around the Gulf Coast area with her family on a vacation.

Secondly, the week was just too darn short.

All this amounts to sort of an explanation for the editorial which appeared last week concerning Randall County Commissioners' Court. As the editorial stated, it was written on Friday, which on the surface usually isn't too bad.

Here's the sad part: It concerned business which the commissioners were bound to discuss Tuesday afternoon when they met. Sadder yet is the fact that the editorial was printed Tuesday morning.

This accounts for the editorial pleading for redistricting of Randall County on Wednesday when the county was re-divided on Tuesday. But—who'd a thought it? Not anyone attending the meeting of the commissioners Tuesday afternoon.

It was a bright week for other Randall Countians, however. Redistricting was something needed badly by this county, and the commissioners, Chamber of Commerce, Junior Chamber of Commerce, and—best of all—the man of the street realized this and were in favor of the move.

One rather odd fact emerged from precinct lines drawn by the commissioners. While South Amarillo now has the votes to elect two commissioners, so does Canyon.

Precincts 2 and 3 are divided by 15th Street in Canyon, which pretty well splits the vote. However, there might be enough Canyon votes in the two precincts to elect the commissioners.

Precinct 1 also dips into Canyon, but the Canyon votes won't be enough to notice in that precinct because it takes in South Amarillo.

An interesting sidelight to last Tuesday's meeting was the use of an agenda for the first time. Whether the agenda will continue to be used is anybody's guess, but at least the commissioners used it once. And in my estimation, it speeded the work of the commissioners on the minor items of business.

five different states. Scheduled to visit the Buffs' new 20,000-seat plant, in order of their appearance, are University of Arizona, Mississippi Southern, Hardin-Simmons, Drake (Des Moines, Iowa), and Virginia Tech. . . Shamrock dealers in Canyon have \$3 reserved seat tickets on sale for the home game with Arizona University which can be purchased for \$2. The seats are located between the 10 and 28 yard lines in Section B and F above the crosswalk.

### AROUND TOWN

Mr. and Mrs. Charlie Donnell, Mrs. Loyd Buchanan and Gloria, and Mr. and Mrs. G. H. Hardaman of Amarillo attended the wedding of Beverly Jean McCormick to John Johnson Saturday evening in Wichita Falls. Mrs. Johnson is a niece of Mrs. Donnell and Mrs. Buchanan, and a granddaughter of the Hardamans.

Mr. and Mrs. A. M. Cunningham have returned from Nuport, Wash., where they spent the summer working in a forest summer camp. A. M. reported that he took treatments for a back injury every day or two on the bank of some trout stream.

Mr. and Mrs. Don Broom left Thursday for Fort Benning, Ga., where he will be stationed. Mrs. Broom is the former Beverly Colwell.

MRS. CHARLES BRASHER

## Treasure Kees Becomes Bride Of Charles Brasher in Dumas

In a double ring ceremony at the First Baptist Church of Dumas September 5, Miss Treasure Ann Kees became the bride of Charles Albert Brasher.

Parents of the couple are Mr. and Mrs. Leslie Kees of Channing and Mr. and Mrs. Tom H. Brasher of Canyon.

Dr. Strauss Atkinson, pastor of the First Baptist Church of Canyon, officiated at the rite, read before an altar flanked by candles and white gladioli.

**Miss Reddell Plays**  
Traditional wedding music was furnished by Miss Judith Ann Reddell, who played "Liebestraum" by Liszt; "Oh, Promise Me" by DeKoven; "Indian Love Call" by Friml; "I Love Thee" by Grieg; and "Ah, Sweet Mystery of Life" by Herbert.

Miss Allison Goff, soloist, sang "If I Could Tell You More" by Firestone; "Thine Alone" by Herbert; and, at the close of the ceremony, "The Wedding Prayer" by Dunlap.

Flower girl was Hollie Jeanne Cheevers, daughter of Mr. and Mrs. Frank Cheevers. She wore a white organza pinafore, accented by lace and ruffles over a white underdress. She carried a navy and white basket, with matching ribbon streamers.

Michael Duane Smith, son of Mr. and Mrs. Arie K. Smith, was ring bearer.

**Attendants Wear Navy**  
Matron of honor was Mrs. Bill Lightsey, and Miss Mary Colvin of

Amarillo was maid of honor. They wore identical dresses of navy taffeta, designed in princess lines, and fashioned with full skirts and V necklines. Accessories were white gloves and black kid shoes. They carried nosegays of white feathered carnations with white ribbon streamers.

Jerome Edwards of Canyon was best man. Groomsman was Arvie Marshall. Sharing ushering duties were Al Myers of Canyon, Don Holtzclaw of Dumas and Bill Lightsey of Littlefield.

**Given By Father**  
Escorted to the altar by her father, the bride wore a formal gown of nylon tulle and re-embroidered Alencon lace, designed with a sweetheart neckline, accented by iridescent sequins. The fitted bodice formed a V in both front and back, and her long sleeves tapered to a point over her hands.

The floor-length skirt also featured re-embroidered Alencon lace over ruffled nylon tulle.

Her double tiered veil, which fell from a crown and cap combination of lace and pearls touched with sequins, varied from fingertip to shoulder length. Her only jewelry was a single strand of pearls, a gift from the bridegroom.

She carried out the traditional phrase "Something old, something new."

Mrs. Kees wore a two-piece grey crepe dress, grey hat, white gloves, black kid shoes and bag, and a gardenia corsage. Mrs. Brasher

chose a dress of royal blue crepe, with matching jacket. She wore white gloves, blue hat, black suede shoes, and a gardenia corsage.

### Reception in Chapel

A reception followed in the chapel of the church.

The serving table was laid with a pure linen cloth, with navy and white napkins carrying out the chosen colors. Floral decorations included bouquets of the bride and her attendants.

A three tiered wedding cake topped with traditional bride and bridegroom figurines centered the table and punch bowls were placed at opposite ends of the table. White satin streamers with the letters "Treasure and Charles, September 5" imprinted in navy were laid before the punch bowls.

In the house party were Mrs. Arie Smith, Mrs. Jack Brian, Mrs. Wayne Zello, and Miss Joanna Dawson.

Miss Virginia Hall presided at the guest register, located on a table decorated with a spray of white fern and wedding bells, forming a background for a single white chrysanthemum. Navy streamers imprinted with the couple's names imprinted in white glitter completed the decorations.

### Trip to New Mexico

Following a trip to New Mexico, for which the bride chose a two piece brown silk dress, a brown feather hat, and brown accessories, the couple settled at 609 16th Street here. The bridegroom, a graduate of Canyon High School, is a senior at West Texas State College, where he is majoring in accounting. Associated with the Brasher Oil Company, he attended Texas Tech for two years.

A 1956 graduate of Dumas High School, the bride is majoring in chemistry at WT, where she is a senior. She is a member of the Mary E. Hudspeth and Alpha Chi honor societies, the Buffalo Gals, and "Who's Who in American Colleges and Universities, 1958-59."

Attending from Canyon were Mr. and Mrs. Bill Lightsey, Mrs. A. L. Walsh, Mrs. R. F. Phillips, Mrs. J. A. Edwards, J. E. Watson, Mr. and Mrs. Mitchell Jones, Mary Gladys Marshall, Mr. and Mrs. Marion Higdon and Dorothy, Mrs. Charles T. Gorton, Mrs. Strauss Atkinson, Mr. and Mrs. A. B. Holt, Mr. and Mrs. J. D. Barker, Mrs. W. E. Miller, and Janis, Mr. and Mrs. Jozach Byrd and Ben, Mr. and Mrs. A. K. Goodman, and Mr. and Mrs. R. D. Wheelock.

A rehearsal dinner was held in the Chartreuse Room of Hotel Sneed of Dumas. Mr. and Mrs. Tom Brasher were hosts for the dinner.

## Mullicans Are Hosts For Buffet Dinner

Mr. and Mrs. Franklin Mullican and Bill of Lubbock were hosts at a buffet dinner Sunday in their home.

Attending were Mr. and Mrs. R. A. Burrus, Mr. and Mrs. Jerry Swearingen and Scott, Mrs. Mattie Bourn, Mr. and Mrs. Ed Bourn, Wanda and Wesley of Canyon, Mr. and Mrs. Bob Farthingham of Hereford, Mr. and Mrs. Roy Callicotte of Spur, Mr. and Mrs. Delos Callicotte of Aspermont, and Mr. and Mrs. Earnest Lee Thomas of Floydada.

## Kiwanis Club Hears Boundary Line Issue

Leland Nelson, assistant city manager of the City of Amarillo, spoke on problems of the dual county-city boundaries Friday at the weekly luncheon of the Canyon Kiwanis Club.

New members welcomed into the organization at the meeting were Bob Allford, Sam Jolly, and Harold

Wallace. Visitors were Charles Wright, Glenn Ross, Olan Lehman, Lloyd Farr, Clancy Cummings, all of Canyon, and C. L. Hood of Lubbock, and Hugh Norris of Ada, Okla.

George Ritter had charge of the program and introduced the speaker.

day-to-day  
basic

By Manford, and cut with an immaculate attention to detail. Basically beautiful in lightweight textured tweed, highlighted by soft velvet collar. The waist circled in contoured leather, the trim flyfront hides a step-in zip closing. In Black textured with white, Brown/white, Red/black, Blue/black, Bronze/black. Sizes 10-20, 12½-24½.
